Located in the North Park neighborhood of San Diego, Caffe CaLabria is a local's favorite coffee and tea house. We pour their Rainforest blend of Indonesian and Central American organic beans roasted here in San Diego. We hope you enjoy the coffee as much as our view!

Our sausage in the Biscuit & Gravy is made by Pete's on India Street in Little Italy...he's been making them for decades and its authentic as it gets! Thanks Pete

Make sure you check out the best of San Diego County's produce at the Mercado; Little Italy's Farmer's Market on Saturday mornings...you just may find us there buying peaches for the Sangria Ganait!
