Weekly Staff Picks: Bringin' in the New Year

This week, find out which hot parties will be welcoming the New Year with good music, great champagne and even better company.

Party in Style!

Porto Vista Hotel is celebrating New Year's Eve by rewinding time with a retro-themed extravaganza. The hotel's **Glass Door Restaurant** is offering a special 5-course meal for \$79 per person before 6:30 p.m., which also includes entrance into the swanky rooftop party with views of fireworks on the bay. Or skip the dinner and head straight to the Ripassi Terazzo before 9 p.m. to get in for free. Pull on some go-go boots and your favorite polyester shirt to enter in the groovy threads contest. Private cabanas are available for rent, as well as special deals on rooms.
